## Rules and Regulations

Manassas, VA

Adopted by City Council:

February 9, 2015

## **FOREWORD**

MANASSAS REGIONAL AIRPORT PROVIDES MODERN FACILITIES AND EXCELLENT SERVICES FOR BUSINESS AND GENERAL AVIATION IN NORTHERN VIRGINIA AND THE WASHINGTON, D.C. AREA. AS A CATALYST FOR OUR COMMUNITY'S ECONOMIC VITALITY, MANASSAS REGIONAL AIRPORT ACHIEVES THE HIGHEST LEVELS OF SAFETY, CUSTOMER SATISFACTION AND FISCAL RESPONSIBILITY.

These Rules and Regulations are intended to provide the basic guidelines for Aeronautical Activities at the Manassas Regional Airport. Additional, activity-specific requirements may be imposed in Lease Agreements, Franchise Agreements or other agreements between the City of Manassas and Persons engaging in Aeronautical Activities at the Airport. In the event of a conflict between these Rules and Regulations and other agreements, the most stringent applicable requirements shall apply. The Airport is owned by the City of Manassas and operated by the City of Manassas. The Manassas Regional Airport Commission has eight representatives from the City of Manassas and two from Prince William County. The Commission is established by the Manassas City Council to operate and maintain existing and future facilities, oversee construction, prepare reports and annual budgets and make recommendations to the City Council. Day-to-day operations and the implementation of the policies of the Commission are the responsibility of the Airport Director.
