

# Citizens Advisory Committee on Solid Waste

Minutes

May 8, 2012

Public Works Conference Room

7:30 PM

Attendees: Cathy Lemmon, Nina Gribov, Illana Naylor, Janet Dale and Sue Lhotka.

The meeting was opened at 7:30 PM by Sue Lhotka, Refuse & Recycling Coordinator

Minutes from the previous meeting were included in the packet handed out to committee members present.

Sue Lhotka reported:

- Sue is still working on a report of the benefits of using carts over the bins. She will share this report when completed.

## Old Business:

Sue had asked that committee members take pictures of the City so we could use them in the calendar. Cathy Lemmon brought in three pictures: one of the airport terminal, a snowy night on Battle Street, and a night time picture of fireworks over the Pavilion on Fourth of July. Russ Tozar asked if he could use the one for July because he is working on that month. Sue also passed out City pictures. Several had possibilities. Illana asked why all of the pictures that she had seen were landscapes and not people. Sue explained that if they take a picture of a person who is recognizable, then a release for publication needs to be signed by that person. Release forms can be secured, if needed. Sue reminded the committee that she wanted the calendar to be ready for print by June.

Sue reported to Nina that the people who live at 9606 Jefferson Street were moving out, reported by Carlos Perez.

## New Business:

Meeting adjourned at 9:20 PM. The next meeting will be scheduled for June 19<sup>th</sup>.

Respectfully submitted,

*Sue Lhotka*
